

Little Current Public School – Home of the Coyotes

October 2016 Newsletter

Remind

Remind is a safe, free and simple tool to message/share important information updates and reminders with students and parents. You can subscribe by email, text or using the Remind app. All personal information is kept secure and private. Staff will never see your phone number, nor will you see theirs.

To receive messages via text, text @littlecur to 705-302-3382. You can opt-out of messages at anytime by replying, “unsubscribe @littlecur”.

To receive messages via email, send an email to littlecur@mail.remind.com.

To unsubscribe, reply with “unsubscribe” in the subject line.

Celebrating Attendance

We are encouraging attendance at school by celebrating perfect attendance each and every month. Students with perfect attendance for the month will have their names entered into a draw for prizes. We'll be giving out three prizes monthly, one for each division. Students with perfect attendance for the entire year will be celebrated at our end of year assembly.

Halloween Parade

Our Halloween Parade will once again be in the gymnasium starting at 9:15 am. We will call down all classes to the gym shortly after announcements. The students will have the opportunity to parade around the gym by class to show off their costumes. This is a great way to get into the Halloween spirit. Classroom parties will take place in the second or third blocks of the day. We welcome parent/guardians to come in for the parade. Please note that when considering costumes for your child, we do not allow latex masks at school and costumes should be socially appropriate.

Facebook

Little Current Public School launched the school Facebook page two years ago in an effort to share general information, as well as all the great activities and events that happen at the school. This year, we are pleased to announce that our page is updated on a regular basis. We encourage you to visit our FB page. Here is the link to our page.

Please note it is case sensitive.

LCPS Makerspace

What is a Makerspace? A Makerspace is a collaborative space for making, learning, exploring and sharing, that uses a variety of tools, technology and materials. It gives students the opportunity to explore and learn in the areas of Science, Technology, Engineering, Arts and Mathematics (STEAM). Our school received a grant from the Ontario Ministry of Education to aid in developing the Makerspace and for training of staff on its implementation. In order to have diverse activities within the Makerspace, we are asking for any donations if you have some of the items on our wish-list that are taking up space and unused in your home. Please refer to our Little Current Facebook page for a detailed list of items suggested for donation.
